Sir,

**Subject -Installing a five-way ornamental cluster of lights at the junction of roads near the United India Buildings, etc.**

-- oOo --

I have the honour to state that a five-way ornamental cluster of lights was installed after removing the four existing ornamental lamps at the junction of roads near the United India Buildings, as per instructions from Government. The cluster of lights was put up by removing the four dome lights as the royalty thereon was being paid.

The Chief Electrical Engineer has written to say that the actual charges incurred for the removal of the four dome lights and for installing the new five-way cluster of lights amounting to Rs.266/- has to be paid for by the Municipality. As the cost of installing such lights is not usually charged to this Department, the Superintendent, Bangalore Power & Light was requested to waive the charges as a special case. He has now replied stating that the claim in question cannot be waived

It may be stated in this connection that such shiftings are far and few between, necessitated on account of special instructions Government have been pleased to order, on previous occasions, that the cost of similar shiftings, like the shifting of power lines running in Bank Road, Mavally and setting back the power

power lines and poles near Theatre Majestic, being borne by the Department concerned.

In the circumstances, I request that sanction of Government may be kindly obtained to the charges being waived, as a special case.

An extract from the instructions of the Dewan issued in this behalf is enclosed for favour of reference.

I have the honour to be,
S i r,
Your most obedient servant,

Forwarded with compliments.

HONORARY PRESIDENT.

MUNICIPAL COMMISSIONER.

D.O.No.6110 dated 25-3-1941 from the Private Secretary to the Dewan, to the Municipal Commissioner, Bangalore City Municipality, Bangalore, confirming the instructions of Dewan issued on 19-3-1941.
